Starting March 8, 2021, contractors must use FAS ID to access eOffer/eMod. GSA eOffer/eMod users without a FAS ID are required to register. Please review the groups below to determine your current status.

Group 1: Registration Required

Registration instructions begin on the next page (page 5)

Offerors/contractors that have **not** already registered for a FAS ID for another GSA application (FAS Sales Reporting Portal (SRP), GSA Advantage Purchase Order Portal, GSA Vendor Portal, the Mass Mod Portal, eBuy, etc.).

Note for New Offerors: please ensure that you are listed in the System for Award Management (SAM) as one of the following points of contact:

- a. *Government Business POC*
- b. *Electronic Business POC*
- c. *Government Business Alternate POC*
- d. *Electronic Business Alternate POC*
- e. *Past Performance POC*
- f. *Past Performance Alternate POC*

Note for Current Contractors: please ensure that you are listed as an *Authorized Negotiator* on the contract (with or without signing authority).

Group 2: Registration NOT Required

Login instructions begin on page 20

Offerors/contractors that are current eOffer/eMod users and use FAS ID for another application (FAS Sales Reporting Portal (SRP), GSA Advantage Purchase Order Portal, GSA Vendor Portal, the Mass Mod Portal, and eBuy). Your account will be validated based on you being an *Authorized Negotiator* on the contract. You do not need to register.

1 FAS ID Registration Steps

Step 1: Navigate to the eOffer/eMod home page at <https://eoffer.gsa.gov/> and click on **Register Account** to complete your one-time registration process.

The screenshot shows the eOffer/eMod home page. The header includes the GSA logo, the text "eOffer/eMod" and "eOffer/eMod is a tool to submit Contract Offers and Contract Modification requests to GSA Federal Acquisition Service online.", and navigation icons for Home and Help. The main content area features four large buttons: "Account Registration" (with a sub-button "Register Account" highlighted by a red box and arrow), "Contract Offers" (with sub-button "Prepare an Offer"), "Contract Modifications" (with sub-button "Submit a Modification"), and "FAS Sales Reporting" (with sub-button "Report Sales"). Below these buttons is a red-bordered box containing a notice about Multi-factor authentication (MFA) and instructions for new and existing users.

Report Sales Data

We have recently implemented a new Multi-factor authentication (MFA) process. This may result in a different experience the first time you log in. If you already have a registered FAS ID and you are an existing eoffer/eMod user, you will be able to login using your FAS ID credentials.

If you need a FAS ID:

1. Click the Register Account button and follow the steps for account creation.
2. Once you activate your account through the email verification, you can login and setup your MFA process.

Once you have your FAS ID:

1. Click on the Prepare and Offer or Submit a Modification option.
2. Login using your FAS ID. You will then need to enter your DUNS number to enter into the eOffer/eMod process.

Step 2: Enter your email address, first name, last name, and DUNS/UEI number, then click **Submit**.

Create FAS ID

Email Address *
Please enter your FAS ID or Primary Email Address

First Name *

Last Name *

UEI Number *

Step 3: If your credentials are successfully verified, you will be redirected to a success page with details of the next steps to activate your Multi-Factor Authentication (MFA) account.

An email will be sent to the email address you provided for Registration with a link to complete Activation of your account. Please continue to Section 2 on page 11.

Error Messages

NOTE: The system will display an error message in the following situations:

1. Your name & email are not listed in at least one of the Point of Contact fields in SAM.gov:
Government Business POC, Electronic Business POC, Government Business Alternate POC, Electronic Business Alternate POC, Past Performance POC, Past Performance Alternate POC
 - Please coordinate with your SAM.gov administrator to update the points of contact in SAM.gov with your information.
2. Your name & email are not listed in your GSA contract as an Authorized Negotiator.
 - Please coordinate with the Authorized Negotiator on your GSA contract to update the contract with your contact information. You will need to be added as an Authorized Negotiator to access eOffer/eMod.
3. DUNS/UEI number is incorrect/not valid.
 - Your DUNS/UEI number can be searched on SAM.gov.

2 Multi-Factor Authentication Activation Steps

Step 1: Proceed to your email inbox and select the **Activate Account** button from the email you received.

Step 2: Enter and confirm your password

Step 3: Select and answer a security question

Step 4: Select a security Image

Step 5: Click on **Create My Account**

Create your eoffer account

 Enter new password

Password requirements:

- At least 12 characters
- A lowercase letter
- An uppercase letter
- A number
- No parts of your username
- Does not include your first name
- Does not include your last name
- Your password cannot be any of your last 24 passwords

Repeat new password

 Choose a forgot password question

What is the food you least liked as a child? 

Answer

 Click a picture to choose a security image

Your security image gives you additional assurance that you are logging into OIdA, and not a fraudulent website.

Step 6: Setup your Multi-Factor Authentication method. This will be the method in which you will receive your one-time code each time you log in to the system. Please review the choices carefully and click **Setup** for your preferred MFA method.

Please note: If you choose the *Google Authenticator* option, please ensure that you have the mobile app for *Google Authenticator* installed on your mobile device. This option will ask you to scan a QR code to add the account to your *Google Authenticator* app so you can complete activation and receive your MFA code.

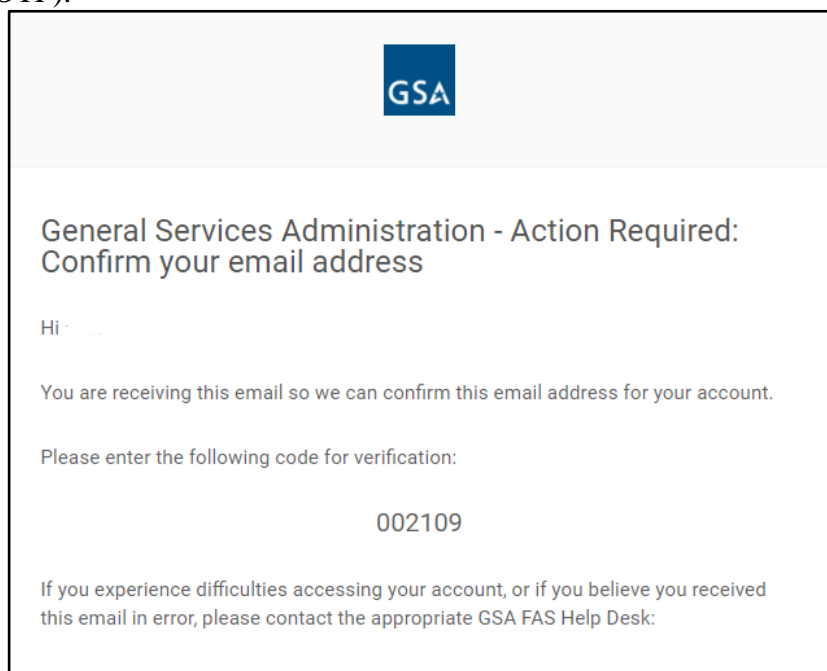

Email Authentication Multi-Factor Method

Step 7: Click **Send me the code** to receive the One Time Passcode (OTP).

Step 8: Once you select the **Send me the Code** button, you will receive an email with the One Time Passcode (OTP).

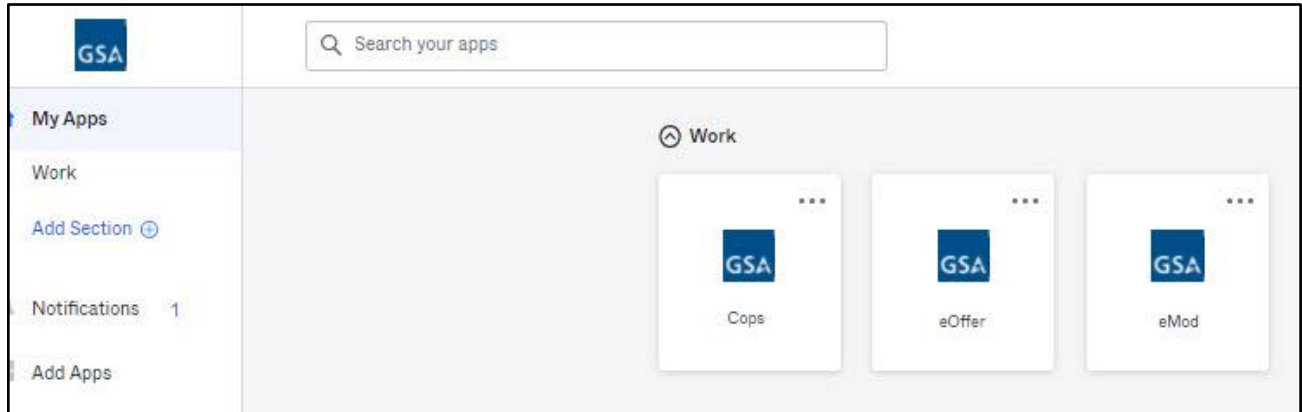

Step 9: Enter the One Time Passcode (OTP) and click **Finish**.

NOTE: If at any time you would like to add or remove your current method of Authentication (from email to text, etc.), please contact the help desk at 1-866-472-9114.

Step 10: You will successfully be logged in to your FAS ID Account and able to view the GSA applications associated with your FAS ID account. Click on the **eOffer/eMod** box to access the system.

SMS and Voice Authentication

Step 7: If you choose to utilize either SMS or Voice Authentication, you will be prompted to enter in your 10-digit phone number, including the area code. Once you do, click **Send me the Code**. If you choose SMS, you will receive a code in the form of a text message, and if you choose Voice, you will receive a phone call with the code spoken to you. Both will be from random phone numbers that you cannot reply or call back.

Set up SMS Authentication

Enter your 10-Digit mobile number

Send me the code

[Back to factor list](#)

Step 8: On the next screen, enter in the code that was texted or given to you over the phone, and click **Verify**.

GSA

SMS

Set up SMS Authentication

Enter Code

Verify

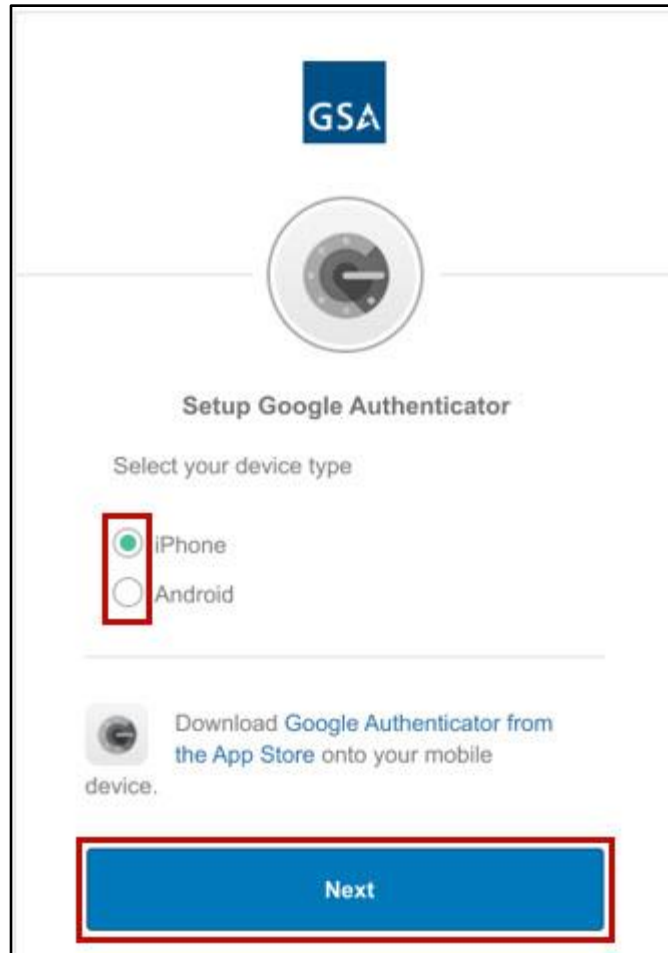

Step 9: Once successful, you will be redirected to your dashboard where you can view all of the

applications that are linked to your new MFA account. Click on the **eOffer/eMod** box to access the system.

Google Authenticator

Step 7: When you get to the *Setup Google Authenticator* page, simply select the radio button for the device type you currently have for your phone. Make sure you have the Google Authenticator app on your phone already, or you can download the Google Authenticator app from your phone's app store. Once you have the app, click **Next**.

Step 8: On the next page, you will see a QR Code. Open the *Google Authenticator* app on your phone and scan the QR Code by pressing the + button. You will then receive a 6 digit code that updates automatically every 30 seconds. You can determine how much time is remaining by the small circle next to the code. Once your code is active, you can click **Next**.

Step 9: Enter in the current 6 digit code from your phone into the box on the next page, and click **Verify**.

Step 10: If successful, you will be redirected to your dashboard where you can view all of the applications that are linked to your new MFA account. Click on the **eOffer/eMod** box to access the system.

3 Multi-Factor Authentication Login Steps

Step 1: After successfully completing the Multi-Factor Authentication registration process or if you are a member of Group 2, all future access will be performed by accessing **Prepare an Offer** or **Submit a Modification** from the eOffer/eMod home page at <https://eoffer.gsa.gov/>.

Step 3: Validate your code from your MFA Authenticator to access eOffer/eMod. Alternatively, if you chose another method of MFA, enter in the required information (e.g. code from SMS text message, or the code from your email).

The screenshot shows a GSA Sign In screen. At the top is the GSA logo. Below it is a circular icon representing an authenticator application. The text reads "Sign In" and "Enter code displayed from the application". There is a text input field labeled "Enter Code" and a blue button labeled "Verify". Both the input field and the button are highlighted with a red border.

The screenshot shows a GSA Sign In screen. At the top is the GSA logo. Below it is a circular icon representing an email envelope. The text reads "Sign In" and "Send a verification code to your registered email." There is a blue button labeled "Send me the code" and a link labeled "Back to factor list".

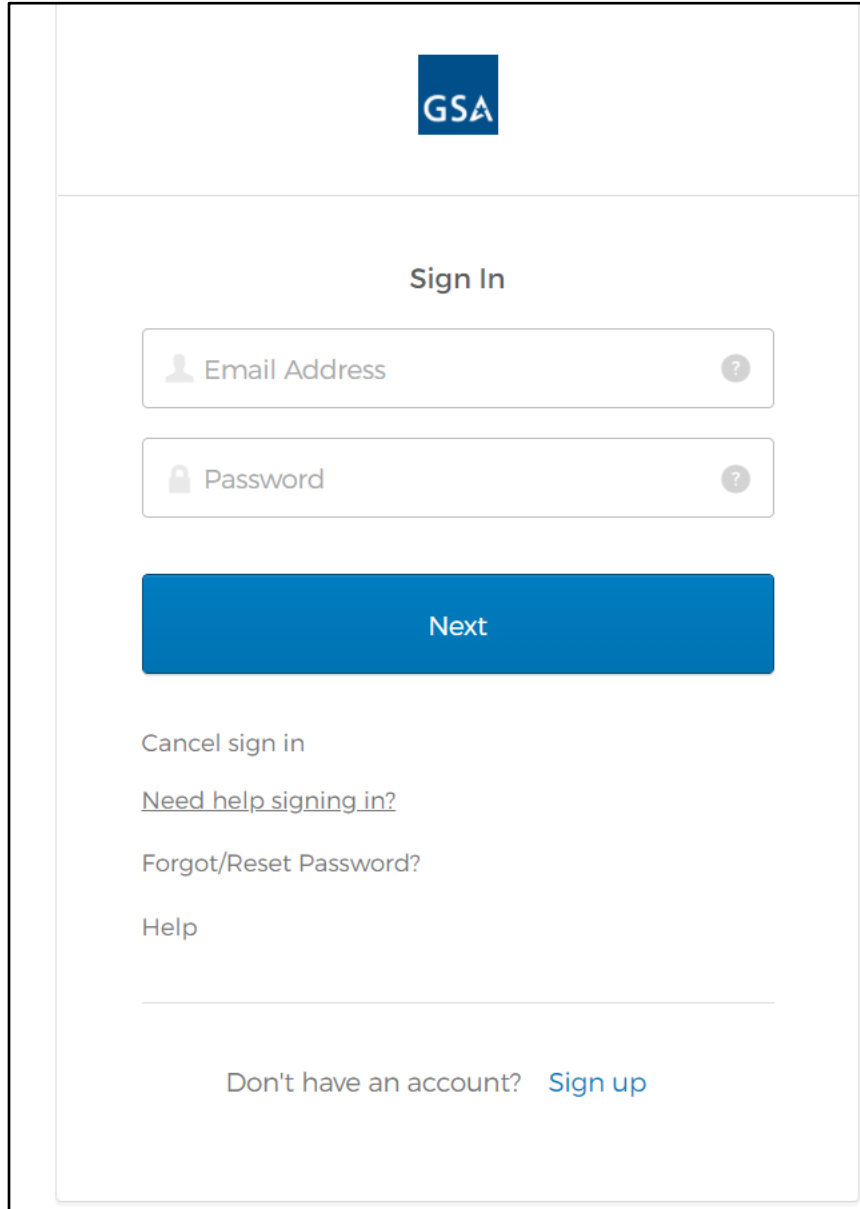

Step 4: You will successfully access the eOffer/eMod system. Please enter your DUNS/UEI number to continue your work in the system.

4 Cancel Login

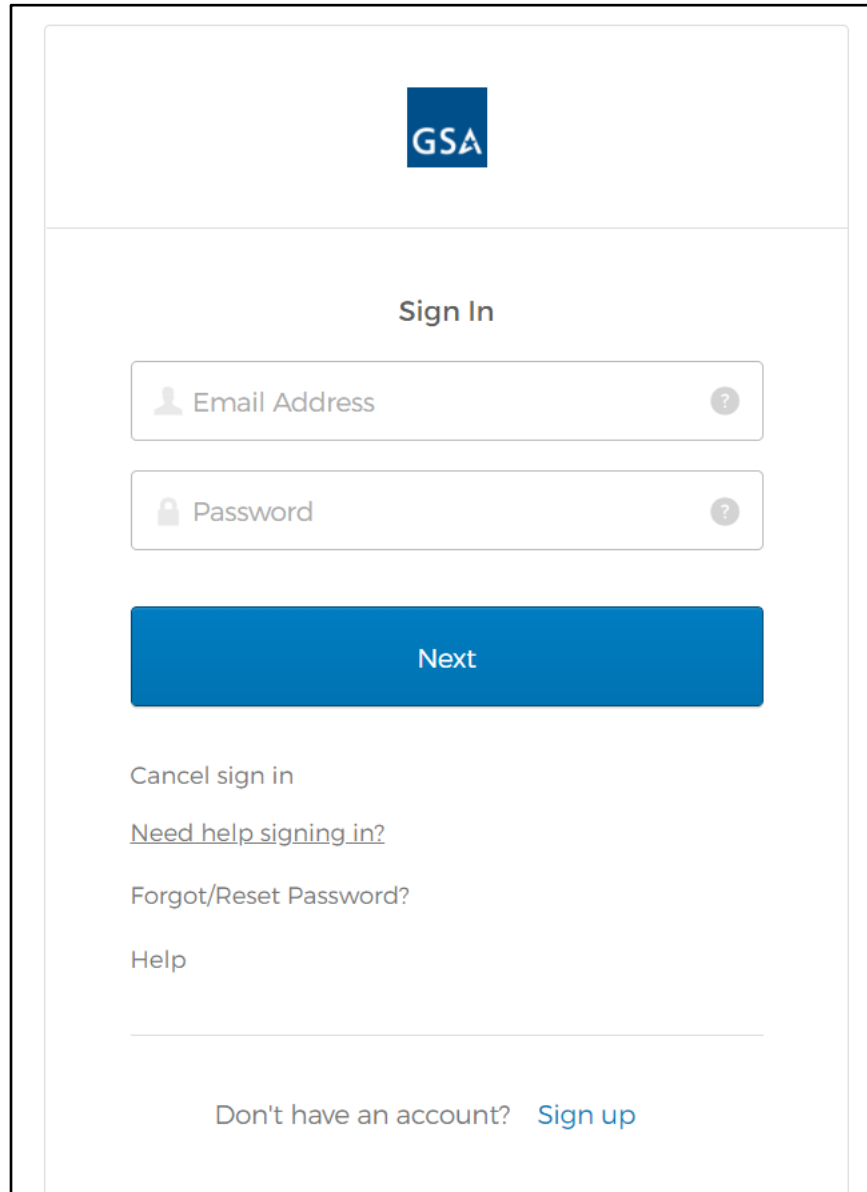

The **Cancel sign in** link will cancel login and return you to the eOffer/eMod home page.

The screenshot shows a web page for signing in. At the top center is the GSA logo. Below it is the heading "Sign In". There are two input fields: "Email Address" with a person icon and a question mark, and "Password" with a lock icon and a question mark. A blue "Next" button is positioned below the fields. Underneath the button are four links: "Cancel sign in", "Need help signing in?", "Forgot/Reset Password?", and "Help". At the bottom, there is a horizontal line and the text "Don't have an account? Sign up".

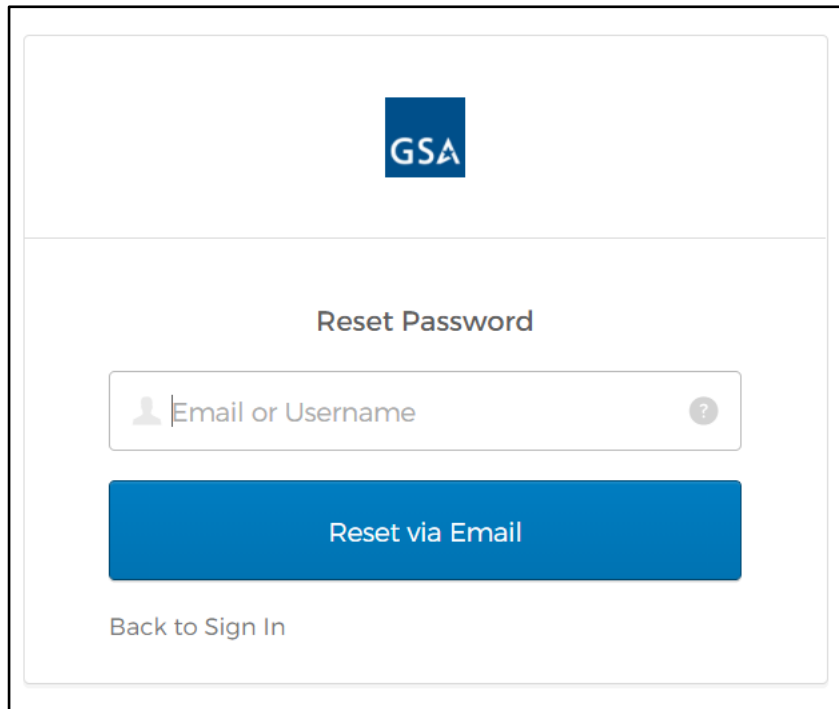

5 Multi-Factor Authentication Account Forgot/Reset Password Steps

Step 1: Click on **Need help signing in?** and select **Forgot/Reset Password?**

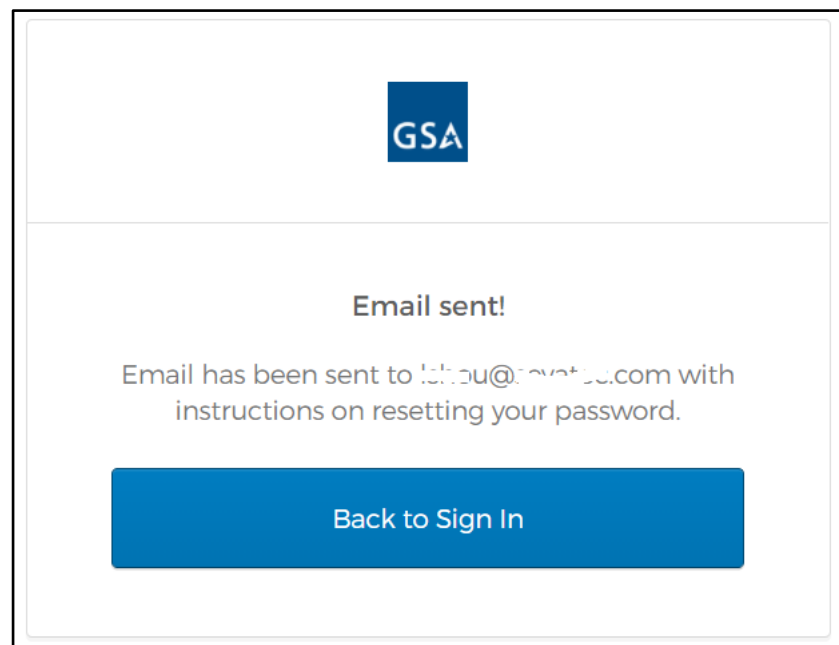

The screenshot shows the GSA Sign In page. At the top center is the GSA logo. Below it is the heading "Sign In". There are two input fields: "Email Address" with a person icon and a question mark, and "Password" with a lock icon and a question mark. Below the fields is a blue "Next" button. Underneath the button are four links: "Cancel sign in", "[Need help signing in?](#)", "Forgot/Reset Password?", and "Help". At the bottom, there is a horizontal line and the text "Don't have an account? [Sign up](#)".

Step 2: Enter your email and click **Reset via Email**.

The screenshot shows a web form for password reset. At the top center is the GSA logo. Below it, the heading "Reset Password" is centered. There is a text input field with a person icon on the left and a question mark icon on the right, containing the placeholder text "Email or Username". Below the input field is a large blue button with the text "Reset via Email". At the bottom left of the form area is a link that says "Back to Sign In".

Step 3: The confirmation page will show up

The screenshot shows a confirmation page. At the top center is the GSA logo. Below it, the heading "Email sent!" is centered. Underneath, a message states: "Email has been sent to lshou@evm.gov.com with instructions on resetting your password." Below this message is a large blue button with the text "Back to Sign In".

Step 4: Access the **Reset Password** link from the reset password email received from MFA-No-Reply+noreply@gsa.gov. Please check your Spam or Junk inbox folders in case you do not see the email in your regular email inbox.

The screenshot shows an email from GSA with the following content:

General Services Administration - Multi-Factor Authentication Password Reset Request!

Hi David,

A password Reset request was made for your Multi-Factor Authentication account. If you did not make this request, please contact the appropriate GSA FAS Help Desk.

Click this link to reset the password for your username, [dj:.....@.....com](#):
